2018-06-30

Pedro Luis Baldo Diaz
Surveyor

This Certificate is subject to terms and conditions overleaf. Any significant change in production facilities and methods may render this Certificate invalid.

If any person suffers loss or damage which is proven to have been caused by any negligent act or omission of the Society, then the Society shall pay compensation to such person for his proven direct loss or damage. However, the compensation shall not exceed an amount equal to ten times the fee charged for the service in question. The maximum compensation shall never exceed USD 2 million.

In this provision the "Society" shall mean DNV GL AS as well as all its direct and indirect owners, affiliates, subsidiaries, directors, officers, employees, agents and any other person or entity acting on behalf of DNV GL AS.

Approval basis

The approval has been granted based on the following condition:

1. The maker's qualification documents as required in Det Norske Veritas' Programme for Approval of Manufacturers of Welded Pressure Vessels Class II and I received with letter from Det Norske Veritas, Aalborg dated 1990.11.06.
2. Application for retention by letter from DNV Aalborg dated 1995.11.29.
3. Application for retention by letter from DNV Aalborg dated 2001.01.31.
4. Application for retention by E-mail from DNV Aalborg dated 2006.06.21.
5. Checklist for renewal dated 2010-06-25.
6. Documentation received with letter dated 2014-06-18.
7. Renewal checklist from DNV Aalborg, Denmark dated 2014-08-06.

Certificate Retention Survey

To maintain the approved status, the manufacturer must be re-inspected every four years. Application for renewal should be made not later than three months before the expiry date of the certificate.

Any alteration to the approved condition during the period of validity, e.g. method of manufacture, maximum dimensions or conditions of supply, is to be reported to the Society. A re-inspection and / or re-testing may be required when deemed necessary by the Society.
